Commissioner for Patents  
Post Office Box 1450  
Alexandria, VA 22313-1450

Transmitted herewith is Form PTO/SBO8A listing a document provided with this Second Supplemental Information Disclosure Statement that may be relevant to the subject application. It respectfully requested that this document be considered by the Examiner and an initialed copy of each form be returned to the undersigned. It is believed that this disclosure complies with the requirements of 37 CFR §§ 1.56, 1.97 and 1.98 and the MPEP § 609. If for some reason the Examiner considers otherwise, it is respectfully requested that the undersigned be called so that any deficiencies can be remedied.

Submission of this document is consistent with the broadest interpretation of the duty of disclosure. In accordance with the rule for patent prosecution, such a submission is not to be construed as an admission that the information cited in the Second Supplemental Information Disclosure Statement is, or is considered to be, material to patentability as defined in §1.56. Applicants respectfully reserve the right to challenge a conclusion that any of the submitted material represents information constituting prior art to the present application or that the information that applicant has located would be of the type used by one of ordinary skill in the art in solving the problems addressed in the present application. The submission of these materials is consistent with the duty of disclosure and should not be interpreted as an indication that applicant has made a prior art search such that the examiner should not undertake to conduct an independent prior art search.

Applicants provide the following information to help introduce the Examiner to the cited art. Applicants encourage the Examiner to read the cited art carefully to seek all portions that may be relevant to one or more pending claims.
